

# HPE 5406R zl2 Switch - Switch - 1 Gbps - 44-Port 4 HE - Rack-Modul

HTTPS - Power over Ethernet - RJ-45 - Managed - Aut. Erkennung

|                     |                |
|---------------------|----------------|
| Gruppe              | Netzwerkgeräte |
| Hersteller          | HPE            |
| Hersteller Art. Nr. | J9821A         |
| EAN/UPC             | 0888182309025  |

## Hauptmerkmale

|                    | Allgemein                                                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Breite             | 444,5 mm                                                                                                                                     |
| Tiefe              | 450,9 mm                                                                                                                                     |
| Höhe               | 175,3 mm                                                                                                                                     |
| Weitere Anschlüsse | 6 open module slots; Supports a maximum of 48 10GbE ports or 144 autosensing 10/100/1000 ports or 144 mini-GBICs, or a combination; Included |
